

Universal Product Instruction Manual

1. Product Overview

This product is a general-purpose item designed for daily use. It is manufactured in compliance with relevant quality standards to ensure safety and reliability. Please read this manual carefully before use to ensure proper operation and extend the service life of the product.

2. Safety Precautions

1. Keep the product away from fire, high temperature, sharp objects and corrosive chemicals to avoid damage, deformation or safety hazards.
2. Do not place the product in a humid, dusty or direct sunlight environment for a long time to prevent performance degradation.
3. For products with power supply function: Do not disassemble, modify or repair the product without authorization; use the matching power adapter only; unplug the power supply when not in use for a long time.
4. Keep small parts of the product out of the reach of infants and young children to prevent accidental ingestion or injury.
5. Stop using the product immediately if you find abnormal phenomena such as damage, leakage, abnormal noise or overheating, and contact the after-sales service in time.
